MUSIC

The CHS music program consisted of 21 members and was instructed by Mr. Glenn Gish. The band performed at three concerts during the year and also attended the league clinic at B & B on March 12. They competed in the Regional music contest at Junction City on April 9th. Although they were disappointed with a III rating, they hope to improve. Throughout the year, the Pep Band was helpful in igniting Panther spirit at home football and basketball games.

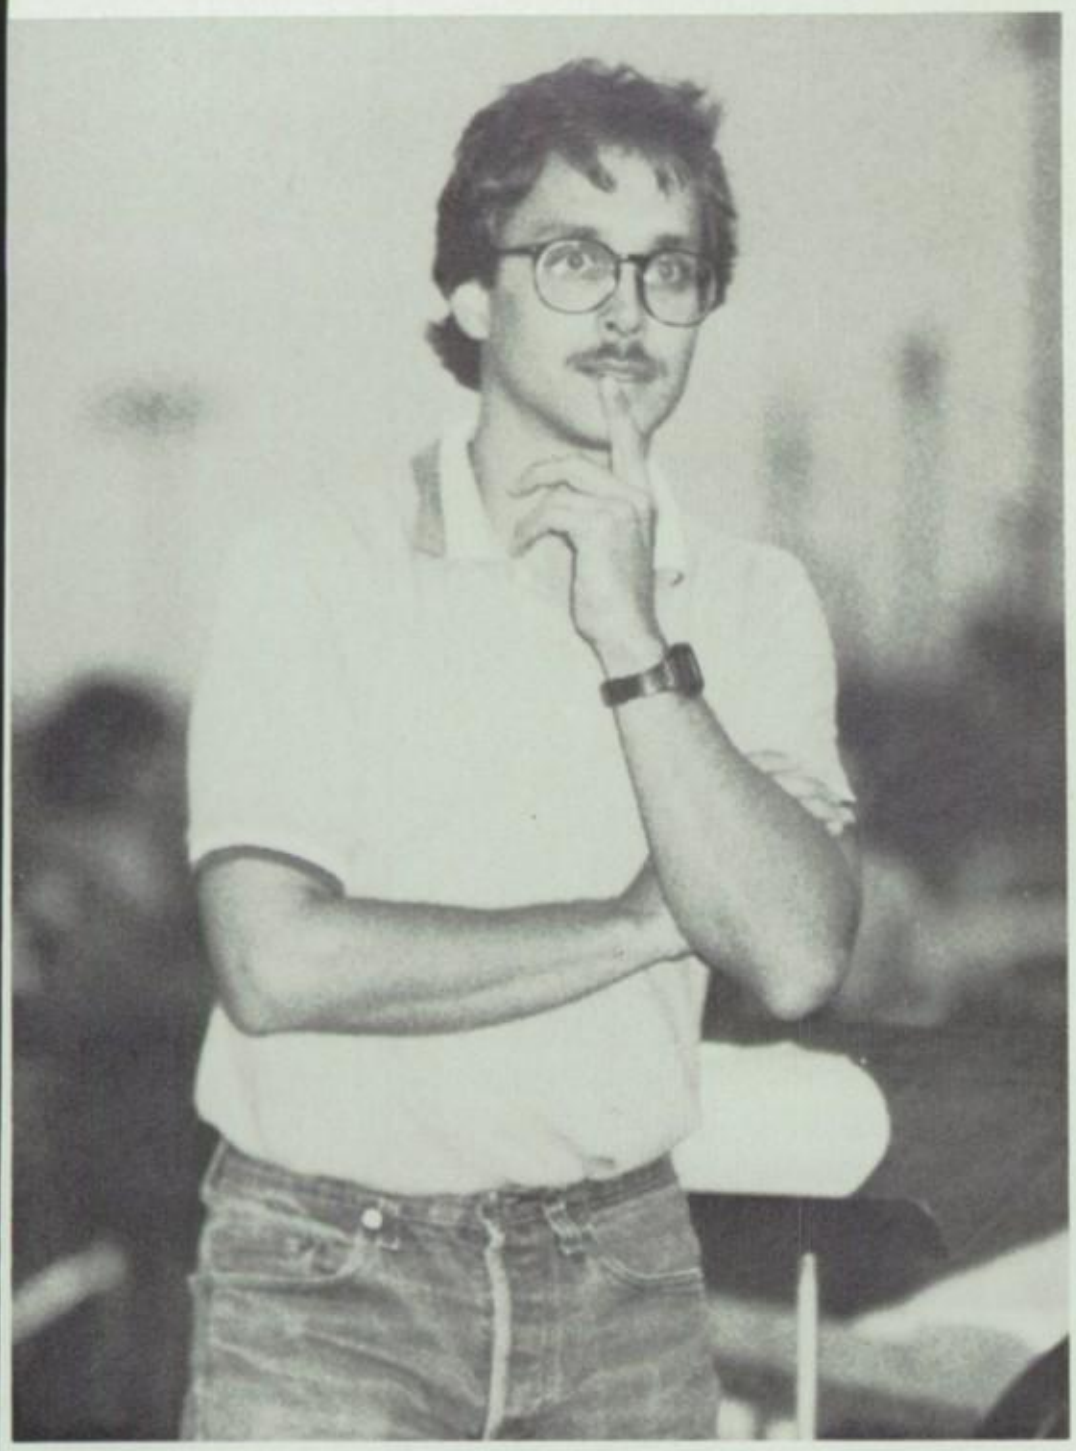
CROSS COUNTRY



The 1984 season of cross country was coached by Mr. Glenn Gish. He was able to guide two girls and five boys — enough for a boy's team — to success. These runners tried to improve with each race. At the last two meets of the season, the boy's team managed to capture third place at Onaga and second place at Jackson Heights.

The season climaxed with three runners qualifying for the state meet at Wamego. These runners were Rochy Argo, Janelle Rempe, and Joanne Fritch. At this meet Joanne placed tenth, and Janelle, bothered by a leg injury, placed eleventh.

The returning athletes are looking ahead to next year. Hopefully their running fever will catch on, and will assure C.H.S. of many more successful cross country teams.

PUTTIN' ON THE PRIDE

KICK-OFF PEP RALLY

The kick-off pep rally was held on September 6 at 7:00 to generate excitement for the first sports season of the new school year. A parade which began at the school and wound through town was led by the band and instructor Mr. Glenn Gish.

Class vehicles which were decorated with signs, names, and a pair of clowns showed each classes' spirit and the faculty followed in a red fire engine. The Pep Club, which rode in a black Panther pickup, fired the crowd up with chants and cheers. The football squad followed behind on a trailer pulled by Mr. Matt Bachman.

Some of the younger school students also took part in the parade by pulling decorated wagons and riding bikes and three wheelers.

The parade came to a halt at the midsection of Main Street where Mr. Sonny Bourne welcomed the spectators and introduced the new coaches as Mr. Glenn Gish, cross country; Mr. Paul Cullimore and assistant Miss Donna Sleeper, volleyball; Mr. Jerry Ewing and assistants Mr. Marlo Klassen and Mr. Tom Sextro, football. The team's players were introduced and a pep talk was given by Stephanie Ewing. The cheerleaders, in their sharp new uniforms, led the crowd with cheers and the band closed the pep rally with the fight song.

SPIRIT WEEK

On Monday, September 24, the CHS students wore colorful but clashing outfits to kick off the first day of Spirit Week. The next day brought characters like Big Bird, Michael Jackson, and Captain Chaos as everyone dressed like their favorite TV personality. On Wednesday, all the girls wore the jersey of their favorite football player, and on Thursday there was mild confusion because everybody had a twin. Friday was orange day and by then everyone had lots of spirit for Homecoming.

ALMOST PARADISE

HOMECOMING 84

The September 28, 1984 Homecoming festivities began with the CHS band filling the air with the music of "Something" as the Queen Candidates-Stephanie Ewing, D'Ann Deters, and Deb Hasenkamp-were escorted around the football field in a convertible driven by Mr. Mike Brown.

The handsome King Candidates-Keith Boden, Kevin Fairchild, and Jeff Fritch-helped the lovely Queen Candidates from the car and Mr. Sonny Bourne then announced the Homecoming King and Queen as Keith Boden and Stephanie Ewing. Jesse Bonjour, daughter of Mr. and Mrs. Donnie Bonjour, carried the rose bouquets and Chris Boden, son of Mr. and Mrs. Jerry Boden, was the cape and crown bearer. The King and Queen were escorted by their attendants to the beautifully decorated trailor which depicted the theme of "Almost Paradise."

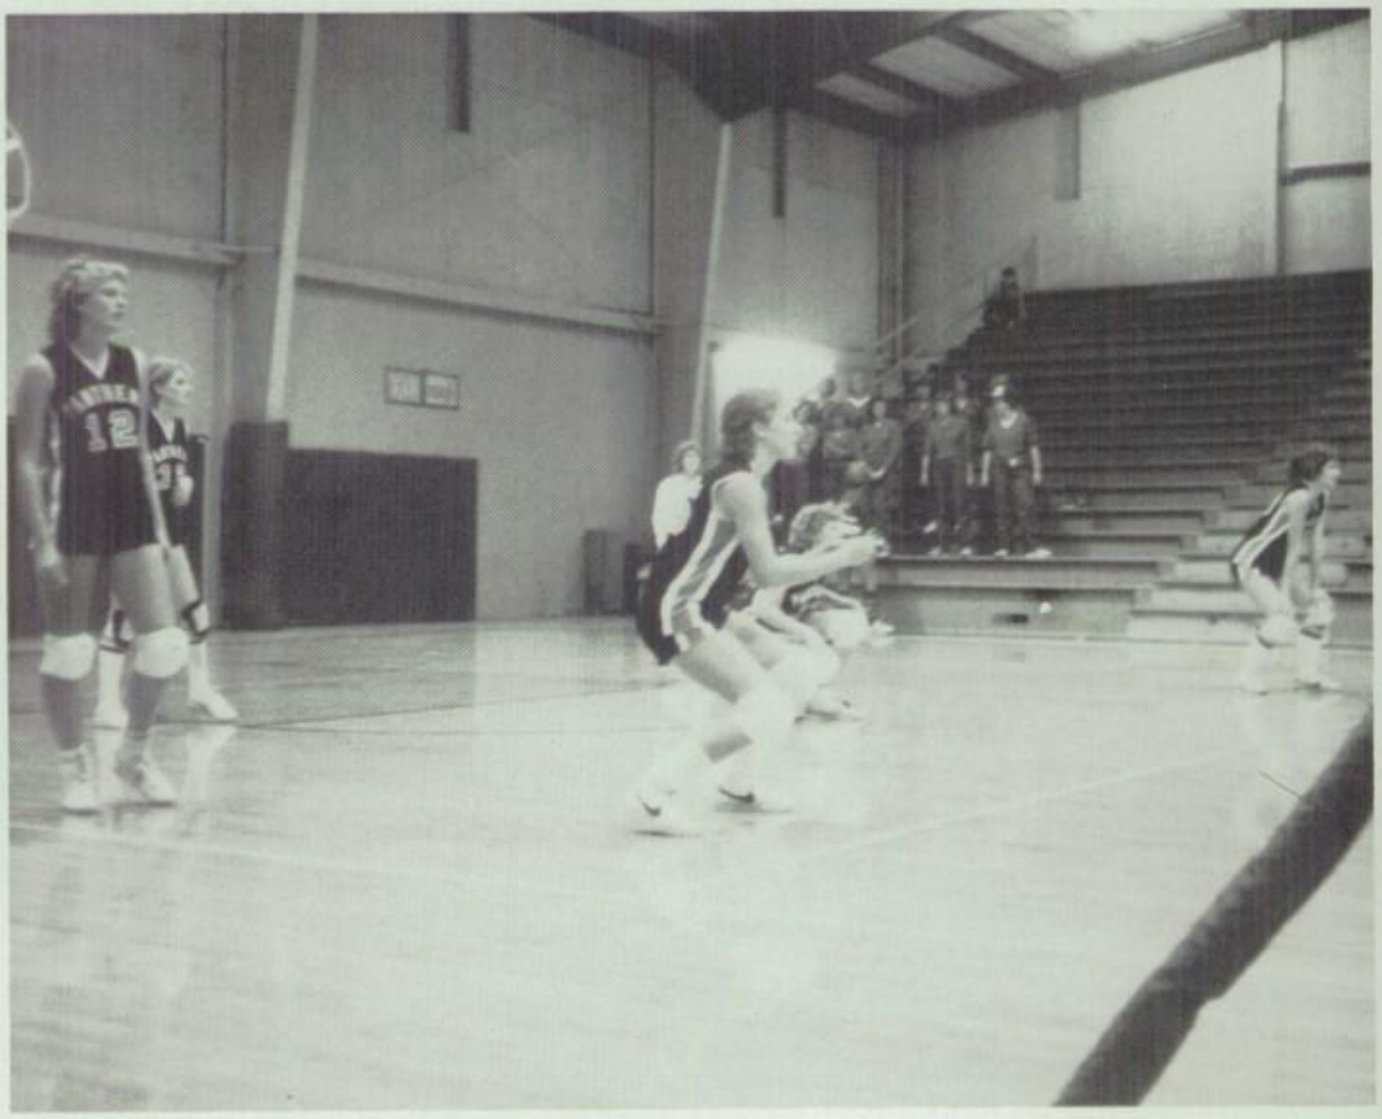
The football game began at 7:30 with the kick-off to the visiting B&B Falcons. A very exciting game ensued as the Panthers topped the Falcons with a score of 17-6.

The high school students later gathered in the gym which was decorated in blue and silver for the Homecoming dance. "Super Muzic" provided the entertainment for the evening and refreshments of home-made cookies and punch were served by the Pep Club.

VOLLEYBALL: A SEASON OF DESPAIR

The Lady Panthers, under the instruction of a new coach Mr. Paul Cullimore and his assistant Miss Donna Sleeper, had to strive extra hard this year due to the return of only one varsity player. The team learned new fundamentals along with a new offense which involved the participation from all the team members. They fought some tough teams and had close matches by winning one out of the three games. Nevertheless, they ended their season with a disappointing record of 1-21.

1984-85 Volleyball members: 1st R.-Rhonda White, Deb Hasenkamp, Steph Ewing, Celene Deters, Stacy Mars, D'Ann Deters, Jean Chadwick, Kim Becker, 2nd R.-Melanie Copeland (manager), Monica Deters, Amy Armstrong, Joyce Deters, Janelle Rempe, Stacy Luebbe, Shelli Luebbe, Brenda Boden, Deandra Haverkamp, Tricia Chadwick, 3rd R.-Brenda Durland, Laura Feldkamp, Ivy Engelken, Laurie Holthaus, Janel Nolte, Karen Meyer, Steph Stowell, Kay Rottinghaus, Lori Ronnebaum, 4th R-Joanne Fritch, Shannon Koch, Karla Steinlage, Gina Engelken, Joan Becker, Marla Rempe, Laura Stallbaumer, Amy Strathman. Not pictured-Angela Steinlage, Diane Hasenkamp, and Mary Becker.



FOOTBALL: THE THRILL OF VICTORY

The Panther football team, under the direction of a new coach, Mr. Jerry Ewing, experienced a new brand of football — winning. The team, led by eleven Seniors, won the first League Championship since the days of John Riggins. They also accomplished the winning of the District Championship and advancing to the State playoffs at Winchester, Kansas. There they played Jefferson County North, and through a hard fought game they were defeated; thus, ending the season with an 8-2 record.

NVL all-league honors were as follows: First Team Offense-Neil Deters, Jeff Fritch, Kevin Fairchild, Steve Hanzlik, Ed Meade, and Bob Cross; First Team Defense-Roger Bergman, Loren Deters, Larry Glatczak, and Tim Meade; Second Team Offense-Keith Boden, Steve Hanzlik, and Larry Glatczak; Second Team Defense-Keith Boden, Kevin Fairchild, Jeff Fritch, Roger Holthaus, and Tom Meade.

JUNIORS
WORKING HARDER THAN EVER

The Juniors excitedly began the school year with many things to look forward to as upper classmen. These included initiating Freshmen, planning for the Prom, and having money raising projects.

The class worked hard throughout the year earning money by selling magazine subscriptions with which they did very well. They also earned money by running a concession stand for all the home football and basketball games throughout the year.

The Juniors spent much of their time and money, and worked very hard at getting ready for the Junior-Senior Prom in April. Though it took a lot of time and hard work, the Prom was well worth it and the Juniors enjoyed the week of decorating before the Prom.

SOPHOMORES

The Sophomores were very eager to begin the 84-85 school year since they were no longer on the bottom rung of the ladder. They were fired up for the fall sports season as well as the basketball and track seasons.

Mrs. Meyer and Mr. Gish, sponsors, helped the class with money making projects. A candlelight spaghetti supper was a great success and a lot of fun to organize. The Sophomores decorated the activity room as a restaurant and acted as waiters and waitresses while their mothers worked in the kitchen. This project was enjoyed by all who worked and all who ate there.

Another class money raiser was a Bake Sale/Workday on May 4.

The English II class wrote essays on "The Qualifications of an Ideal U.S. President" for the Centralia Reading Circle. Diane Hasenkamp, who won in the Centralia area, went to Topeka and visited the Kansas Museum of History, the Judicial Center and several other places.

MISTLETOE MAGIC

The Kayettes, sponsored by Mrs. DeBord, hosted a Christmas dance on December 8th in the beautifully decorated activity room. The decorations featured a mural of a horse-drawn sleigh on a country background, and Christmas lights adorned the stage curtain which held the theme "Mistletoe Magic." A large window veiled with red curtains was the background for taking the pictures.

A DJ from "Super Muzic" provided the entertainment and the Kayettes served decorated Christmas cookies along with Dr. Pepper for refreshments.

The dance was a great success and was enjoyed by everyone.

BASKETBALL

EXPERIENCE GAINED, LEADERSHIP SHOWN

The Lady Panthers concluded its regular and post season play with a 7-12 record. Although the record was not a glamorous one, many things had been enjoyable. The Seniors, Kim Becker, Stephanie Ewing, Marcia Haverkamp, and Rhonda White, led the way for a very young and inexperienced squad. They showed great leadership and will be missed in the next season.

Some highlights include a win over state bound Highland by 13 points, a win over league rival B & B early in the season, and a win over Jackson Heights by 29 points. Hard losses came against state bound Manhatten-Luckey by 3 points, and a loss to Frankfort by one point on the last shot of the game.

The team worked hard, gained experience, and showed the spirit always accredited to the Centralia girls' program.

All-league selections were Rhonda White and Janelle Rempe, 2nd team.

BASKETBALL
A WINNING COMEBACK

The boys' Panther basketball team, coached by Marlo Klassen and Tom Sextro was led by 5 Seniors and 11 Juniors plus 10 Sophomores and Freshmen. They finished the season with a 12-9 record and placed second in the league tournament.

The season's schedule was very tough, but helped the younger players gain experience. The Panthers played four statebound teams in the form of Highland, Jackson Heights, and Axtell. Linn, the eventual 2A State Champs, defeated the Panthers in substate to end the season.

Highlighting the Panther's season were two wins over B & B and placing two players on the All League team. These were Kevin Fairchild and Larry Glatczak, 2nd team.
